# RockStar® individual services – Heavy duty connectors to match your specification

## A wide array of options with RockStar®

RockStar® is a highly effective industrial, heavy duty connector range which has made “excellence” its minimum design standard. Now it’s up to you to decide how much we can expand this standard for you.

With our customer specific assembly service we can meet any customer requirement not covered by the standard RockStar® range. Do you need extra threads, special laser markings or a different RAL color? No problem!

We put everything together according to your individual specifications, so that you end up with just the product that suits your needs. Completely pre-assembled, ready to use and naturally just as powerful, dynamic and forward-looking as our standard products.

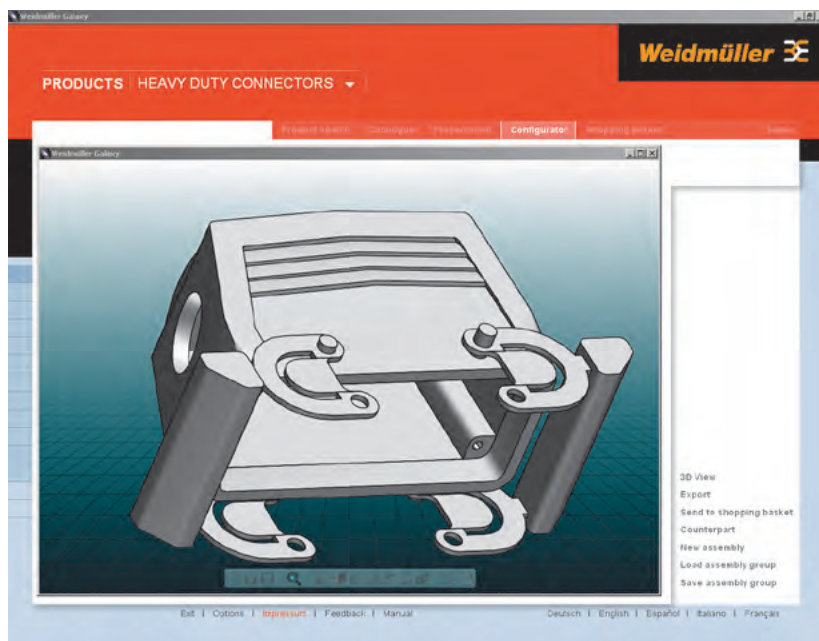

## Search, select and order

Selecting products and devices for applications on a case-by-case basis can often be a time-consuming task. Weidmüller's GALAXY software is the solution to this problem, allowing you to select the Weidmüller components you need more quickly and more accurately than before.

Various search functions result in a targeted search and suitable product selected:

- Access to general order data and approvals
- 3-D preview of the product or complete modules selected
- Printing function/data sheet generation
- 2-D/3-D CAD and data export function in a number of formats
- Order function with shopping basket

Make sure you benefit from the cost and time savings offered by Weidmüller's GALAXY software!

**Clear, straightforward and fast – Weidmüller's GALAXY software.**

# Overview of services

### Kitting

We can configure all individual connector components to meet your specific needs and provide you with a complete kit.

- One order number
- Demand-oriented delivery
- Minimal logistics costs

### Housing colors

For large order quantities we are able to powder coat our RockStar® housings in the color of your choice.

- Choice of numerous RAL colors
- Special colors on request
- Can be combined with customized laser marking

### Housing adaptation

All of our housings can be designed to meet your specification needs.

- Inserting of holes and threads
- Enhanced wiring space
- You decide on the size, position and quantity of cable entries

### Pre-assembled connectors

Looking for something extra? We are able to deliver ready-to-use connectors to meet your demands.

- You choose the type, length and number of cables
- Preparing, marking and connection of conductors
- Demand-based configuration from one single source

### Laser marking of inserts

Laser marking is a unique service provided by Weidmüller.

- Connector inserts marked with your corporate logo, reference or individual article number
- Individual pole identification
- Wipe proof and UV resistant for durable markings

### Laser marking of housings

Individualized housing markings offer you endless opportunities.

- Connector housings marked with your corporate logo, reference or individual article number
- Choose the type, size and position of the markings
- Wipe proof and UV resistant for durable markings

## Best advice, best solutions

### Services tailored to customers' needs

Service – at Weidmüller that means diversity. And it also means that you can take advantage of our comprehensive resources:

- Production of terminal rails and enclosures fitted with our modular terminals and other modules, and prewired
- Fitting of cable glands and the marking of terminals, conductors and enclosures according to your specification
- Competence in the processing of enclosure materials such as aluminium, plastics, sheet steel and stainless steel
- Flexibility in the product selection: besides Weidmüller products we can also integrate yours and even those of other manufacturers

This range of services enables Weidmüller to act as an external service provider to increase your capacities. And demanding standards guarantee a high level of quality every time.

### The best advice for the best solutions

The start of a good partnership is always characterized by an intensive exchange of information to define the respective positions. Our contribution focuses on detailed advice with respect to:

- Optimum choice of products
- Practical pre-assembly
- Integration into your systems
- Consideration of requirements such as certification, classes of protection or hazard protection as required by your industry

That avoids mistakes right from the start – totally in keeping with the effective handling of the project, totally in keeping with perfect results. Our experience helps you create the foundation for good business and satisfied customers.

## Overview of services

### Production of terminal rails

Terminal rails are manufactured from steel, stainless steel, aluminium or copper to suit the diverse applications. And we can produce terminal rails with elongated or round holes, or in other forms to suit your requirements exactly. Terminal rails are fitted with modular terminals or electronic products, prewired and marked according to your specification.

#### The benefits for you

- No need to procure individual components
- No need to mount individual components
- No unnecessary stocks
- Just one order number for your pre-assembled terminal rail
- Constant high quality

### Production of enclosures

High-tech brings benefits. Our state-of-the-art production methods open up new options for you:

- Inclusion of holes and threads in the enclosure
- Enclosure cover with hinges and other accessories if required
- More complex machining such as milling of contours or reaming of holes
- Special paint finishes: To protect against the effects of the weather, your enclosures can be painted individually. Simply specify the color and printing you require. Special paint finishes and powder coating are also possible.

Enclosures are adapted to suit the intended application exactly. You get a tailored, individual product and the quality is guaranteed by our adherence to demanding standards. Does your product require a special approval? Our accredited laboratory can test the complete product and confirm that its design complies with the standards! With every delivery we document the corresponding approvals (e.g., ATEX, GL, UL, GOST, etc.).

#### The benefits for you

- Enclosures in various sizes and materials
- Inclusion of optional accessories such as hinges and locks
- Complex machining processes and special packaging
- Ready-to-use, certified products for all types of applications.

## Overview of services

### Electronics production

We manufacture according to your specifications: ranging from PCB assembly to 100%-tested component assemblies. We bring the individual parts together according to your documents: whether for materials procurement, provision, or withdrawal from our stock. All production processes and the entire range of qualified expertise are at our disposal: from hand assembly to SMD assembly. Our state-of-the-art production and testing facilities guarantee consistent quality.

#### The benefits for you

- Solutions for custom tasks
- Complex component assemblies including enclosures from a single-source supplier
- Reduction of your procurement and storage of individual parts

### “RockStar” heavy-duty connectors and cable assembly

To help ensure that your switchgear cabinets and installations are put into operation without delay, Weidmüller can supply pre-fabricated components such as heavy-duty connectors. These are assembled and prewired according to your specification and are supplied ready to connect. If required, we can also supply the finished enclosure with the heavy-duty connectors already integrated. An entire spectrum of application possibilities are available with our ConCept modular connector system. This modular system enables the flexible combination of diverse modules. Custom crimping and cabling is included on request! Do you prefer a personal touch? We can laser-label your company logo and article number onto our RockStars! In total compliance with your requirements.

#### The benefits for you

- Special requirements with respect to font, number of characters, material and printing durability for your markers
- Prewiring of connectors saves you valuable installation time
- Modular connector system can be ordered pre-crimped

## Marking

Whether multi-line labelling, white or colored terminal markers or group designations, the Weidmüller range can cater for every marking task – fast, clear and according to European standards. However, we can also supply you with preprinted markers to match your specification. Simply tell us the type of marker you require, the color, the printing sequence and the text, and we'll look after the rest. If required, we can also install the finished markers during assembly.

## Equipment labelling

Device markers are essential for marking your electrical installations. Therefore, Weidmüller can supply rating plates designed specially for your application. A wide range of different shapes, colors, materials and fixings – riveted, screwed or bonded with adhesive – are available from which to choose. And a whole range of different fonts mean that we can handle every request.

## Integration of special accessories

In some cases it is necessary to integrate special accessories. This is no problem for Weidmüller because we can integrate buttons, switches, warning lamps, plugs or couplings – all properly planned, fitted, connected and tested. And that includes the products of other manufacturers as well as our own. We shall also be happy to advise you on standard accessories such as hinges.

## The benefits for you

- Rating plates in various materials
- Individual printing or laser engraving
- Equipment and accessories to your specification

# Digital support

## RailDesigner®

RailDesigner® is a Weidmüller program for planning, assembling and ordering both terminal rails and enclosures. And it's so easy to use:

- Fast acquisition of all necessary data
- Realistic-looking graphic user interface and ideal conditions for simple assembly of your terminal rails and enclosures with all the necessary components
- Simply click on all the products you need and add accessories such as markers or cross-connectors
- To configure an individual enclosure, simply choose an enclosure type from a standard range and then add holes and other accessories to suit your requirements

These parameters form the foundation for a perfect software assistant. You can view the enclosure on the screen complete with all the configured products, and print out a hardcopy, or simply send the file to Weidmüller via e-mail in the form of an order. RailDesigner® provides you with optimum planning security and clarity during the design phase. And hence simplifies the ordering process enormously.

## M-Print® PRO label designer

The comprehensive range of Weidmüller services includes the M-Print® PRO software.

This is a professional-standard, Windows®-based program for printing and ordering labels and markers that is coordinated with our current printing systems and marking materials.

M-Print® PRO enables you to design your labelling materials professionally and quickly. Texts, borders, lines, graphics, barcodes, serial numbers and photographs are all possible. The interface to RailDesigner® or your CAE system enables the transfer of all your configured data.

## Online catalog

If you have questions about the specifications and details of our products, perhaps even outside normal business hours, then our online catalog at <http://catalog.weidmueller.com> open 24 hours a day, 365 days a year – is the perfect source of information. Besides product features and part numbers, it contains extensive additional information on all product groups. And for further information, offers and your personal contact, simply consult the Weidmüller website at [www.weidmueller.com](http://www.weidmueller.com).

We cannot guarantee that there are no mistakes in the publications or software provided by us to the customer for the purpose of making orders. We try our best to quickly correct errors in our printed media. For this purpose we list corrections, which have been identified after publishing printed media, on our web site at [www.weidmueller.com](http://www.weidmueller.com). For convenience we list these corrections against product catalog number and/or page number. This Internet-database is part of our catalog.

All orders are based on our general terms of delivery, which can be reviewed on the websites of our group companies where you place your order. On demand we can also send the general terms of delivery to you.
