

Connection module

- Cat.7
- IP 20

Connecting module

Application:

The Weidmuller connecting module is useful for repairing or extending cables in confined spaces without any extra cable. Please note that you will need to make an extra plug-in connection when using this module. This can influence the transmission properties of that stretch and must therefore be documented.

Ordering data

Description of article	Type	Order No.
Connecting module	IE-CCM	8808410000

Accessories

tools	Type	Order No.
PUNCH DOWN TOOL	PUNCH DOWN TOOL PDT	9013970000
Note	Blades see the "Tools" chapter (page E.7).	

Technical data

Category	Cat.7 (IEC 11801)
Protection class	IP 20
