## Certificate of Compliance

### EU-Directive 2002/95/EC (RoHS-Directive)

According to the EU-Directive 2002/95/EC from January 27th 2003, with beginning of July 1<sup>st</sup> 2006 the use of several substances for electrical and electronic equipment in defined categories is restricted.

The defined substances are:

- Lead
- Mercury
- Cadmium
- Hexavalent Chromium
- Polybrominated Biphenyls (PBB)
- Polybrominated Diphenyl Ethers (PBDE)

The Weidmüller Interface GmbH & Co. KG hereby declares, that the product range

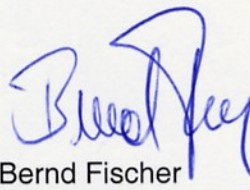

#### **Terminals and Connectors for Printed Circuit Boards (PCB)**

is produced in full compliance with the Directive 2002/95/EC „Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment“ (RoHS).
