Weidmüller offers DIN rail mounted terminal blocks for the popular 10.3 mm x 38 mm (13/32" x 1.5") midget fuses. Compact and touch safe, these terminals meet CSA, UL and IEC requirements.

Features:
- CSA certified for 600 Vac, 30 A max.
- UL rated 600 Vac, 30 A max.
- 1, 2, 3 pole with or without indicator
- Mounting on 35 mm DIN rail
- Only 17.8 mm wide per pole
- Lever mechanism for quick and safe fuse replacement
- Vented housing to reduce internal heating and extend fuse life
- 3 W power dissipation maximum
- Two versions are available. One for all types of 13/32" x 1.5" midget fuses including the CC type. The other accepts ONLY the CC types which have a typical interrupting capacity of 200kA and in compliance to UL508A standard.
Fuse terminals

**WSI 25 10x38**

- For fuses 10x38
- 25 mm²
- **Technical data**
  - Rated voltage, adjacent terminal: 690 V
  - Rated current: 32 A
  - Rated cross-section: AWG 18 ... 4
  - Rated isolation voltage: 800 V
  - Power loss 1 pole / 2 pole / 3 pole: 0.3 / 0.6 / 0.9 W
  - UL94 Flammability class: V-0
  - Interrupting Capacity: 200kA
- **Ordering data**
  - Type: WSI 25/1 10x38
  - Qty.: 12
  - Order No.: 1966020000
  - Type: WSI 25/2 10x38
  - Qty.: 6
  - Order No.: 1966060000
  - Type: WSI 25/3 10x38
  - Qty.: 4
  - Order No.: 1966080000
- **Accessories**
  - Marking Systems: ESG 6/15 K MC WHITE
  - Qty.: 200
  - Order No.: 1880100000
  - SET 2 POLE WSI 25
  - Qty.: 10
  - Order No.: 1044440000
  - SET 3 POLE WSI 25
  - Qty.: 10
  - Order No.: 1044450000
  - WQB 18MM/90 1METER
  - Qty.: 1
  - Order No.: 1044460000

**WSI 25 CC**

- For fuses CC
- 25 mm²
- **Technical data**
  - Rated voltage, adjacent terminal: 690 V
  - Rated current: 32 A
  - Rated cross-section: AWG 18 ... 4
  - Rated isolation voltage: 800 V
  - Allowable power dissipation for standard version fuse: 3W
  - Allowable power dissipation for semi-conductor protection version fuse: 4.3W (10mm², 25A)
- **Ordering data**
  - Type: WSI 25/1 CC
  - Qty.: 12
  - Order No.: 1966050000
  - Type: WSI 25/2 CC
  - Qty.: 6
  - Order No.: 1966040000
  - Type: WSI 25/3 CC
  - Qty.: 4
  - Order No.: 1966030000
- **Accessories**
  - Marking Systems: ESG 6/15 K MC WHITE
  - Qty.: 200
  - Order No.: 1880100000
  - SET 2 POLE WSI 25
  - Qty.: 10
  - Order No.: 1044440000
  - SET 3 POLE WSI 25
  - Qty.: 10
  - Order No.: 1044450000
  - WQB 18MM/90 1METER
  - Qty.: 1
  - Order No.: 1044460000
